The main attraction will be a story of the Renaissance giant, Leonardo da Vinci, born of the time of passionate and boundless expectation and striving of an aging epoch thirsting for a new youth. The show built with massive inflatable puppets is preceded by a carnival-inspired by the age of Rabelais' Gargantua and Pantagruel, the famous giants of the Middle Ages. Carnival is the feast of time, the feast of becoming, change, and the suspension of all-limitations and prohibitions. Everyone participates because its very idea embraces all the people with a universal spirit.
"Carnival is not a spectacle seen by the people; we live in it." as it was famously said by M. Bakhtin. <https://www.artpark.net/events/artpark-carnival-2022-1>
